

HONORING *OUR* DONORS

JULY 1, 2017 – JUNE 30, 2018

For nearly 175 years, the Maryland Historical Society has been supported by individuals, corporations, and foundations who share a belief in the importance of our mission: to educate people of all ages about the rich history of Maryland using the society's collections, and to collect and preserve important objects, printed materials, and images from prehistoric Maryland to the present-day. Their contributions provide every person who visits the museum or library, every student visiting on a class tour or reached through our distance learning program, and every guest at a public event the opportunity for connection and inspiration.

On behalf of the Board of Trustees and our staff, I wish to thank our donors for their generosity and for sharing in the wonderful accomplishments of the last year.

Sincerely,

Mark B. Letzer,
President & CEO

We would like to recognize our life-time leading donor champions!
